

## **MARATHON RELAY INFORMATION**

### **PACKET PICKUP**

Your team's packet will be available at the packet pick-up location on the day before the race and at the Fairgrounds the day of the race. Only the captain or one team representative needs to attend packet pick-up. If you can't make Friday packet pick-up, be sure to allow your team enough time before the start of the race to pick it up. Please note that race day packet pick-up is not at the starting line – it will be located at the packet pick-up area near the main entrance of the Fairgrounds.

### **REGISTRATION POLICIES**

#### **Age Restrictions**

All runners under the age of 18 must have a parent or legal guardian sign a waiver. Individuals under the age of 12 are not permitted to run in the State Fair Marathon Relay.

#### **Refunds**

Entry fees are non-refundable. The entry fee for this year's event will not transfer to next year's event.

#### **Disqualifications**

The State Fair Marathon Relay reserves the right to reject any entry and to disqualify and bar any individual or team from the race. This rejection/disqualification may be based on, but is not limited to, non-payment of race fees, competing with an unofficial number, competing with an official number assigned to another competitor without completing the proper forms, crossing the finish line without having completed the entire course, or providing false information on race entry forms. The State Fair Marathon Relay reserves the right to change the details of the race at any time.

Runner Substitutions or Additions: Team Captains and new runners will need to report to packet pick-up to fill out appropriate forms and waivers.

## **RULES CONCERNING RUNNERS**

### **Running Order**

Team members will run in a fixed order. Please see the Race Breakdown table at the end of these directions.

### **Official Race Bibs**

Each runner will be provided a Bib Number. Runners #1, #2 and #4 will have MYLAPS BibTags on the back of the Bib and will cross Timing Mats on the course. Runner #3 will not have a MYLAPS BibTag on the back of his/her Bib since he/she does not cross any timing mats. Runner #1 will cross the Starting Mats; Runner #2 will cross the 10K Split. Runner #3 will not cross any mats, and Runner #4 will cross the 20-mile mats and the finish mats. Once Runner #1 & Runner #2 have both finished running please REMOVE your Bib Numbers and place these in your vehicle so that these do not read at the Finish Line!! Bib Numbers must be displayed on the FRONT of your body while running.

### **Injuries & Substitutions**

If for medical reason or an injury a runner cannot complete a section and the team decides to continue with the relay, another runner may take over. The substitute will finish remaining section for the injured runner. For mixed division teams, substitute runners must be the same gender as the injured runner. Stages may not be shared. Only one runner is allowed per Stage unless an injury occurs on that Stage.

### **Baton Exchange**

The “baton” must be passed from one runner to the next within the defined Exchange Zone at each Exchange Point. Runners must carry the “baton” so that it is visible to race officials while approaching and leaving the Exchange Zone. Batons will be “slap” bracelets and will be provided in the team packet.

### **Traffic Laws**

Unless a police officer instructs you differently, you need to obey all pedestrian traffic laws.

### **Team Finish Rule**

Within the final stage of the relay is the “Team Finish” where teammates can meet their final runner to cross the finish line as a team. This will be located at the intersection of Dodge and Vine Street. Teams may elect to finish the race as a team or they may choose to skip the Team Finish and allow their final runner to cross the finish line alone. Either way, final team finish times will be determined by the final leg runner crossing the finish line with the timing chip.

- The ending time posted by the fourth runner will be the official time. The fourth runner must be the first runner to the finish line regardless of if the team decides to finish as a team or just with the fourth runner.
- Teams that pass their timing chip to a new runner for the Team Finish will be ineligible for any timed award.
